Dean, Russ Edwards School of Agriculture and Environment Assiniboine Community College

Location: Brandon, Manitoba, Canada

Assiniboine Community College has been providing exceptional learning experiences for more than 60 years. For staff and students alike, Assiniboine offers unparalleled learning environments and responds well to the demands and requirements of the Manitoba labour market. Here, instructors follow the philosophy of 'learn by doing,' combining theory with hands-on learning inside classrooms, labs, kitchens, shops, fields and the college's Sustainable Greenhouse. We are an accredited college with the Province of Manitoba.

We offer more than 60 unique certificate, diploma and advanced credential programs across a variety of disciplines including culinary arts and hospitality, business, agriculture and environment, health and human services, trades and technology. We also deliver apprenticeship programming in a range of skilled trade disciplines.

Our Victoria Avenue East campus (Centre for Adult Learning - Brandon) and North Hill campus (Len Evans Centre for Trades and Technology, Manitoba Institute of Culinary Arts, and the Sustainable Greenhouse) are located in Brandon. Our Parkland campus, which also includes a Centre for Adult Learning, is located in Dauphin, Manitoba. At our Winnipeg campus, we deliver our Practical Nursing program and continuing studies courses.

With an entrepreneurial spirit and commitment to a strong Manitoba, the Russ Edwards School is home to Manitoba's leading programs in agriculture and environment, encompassing a field to fork philosophy and integrating the technology to keep up with the evolving industry.

For more than 45 years, Assiniboine has offered agriculture and environment programming. We have programs for every career level. Whether you're attending college right after high school, looking to build new skills for your current job, or wanting to return to post-secondary in order to change directions, we have plenty to choose from.

Reporting to the Vice President, Academic, the Dean of the Russ Edwards School of Agriculture and Environment is responsible for the leadership and administration of all aspects of the operations of the School, including budget and fund development. In addition to the role of senior officer of the School, and a member of Deans' Council, the Dean is a senior administrator of the School. The Dean fosters an environment in which world-leading research and excellence in teaching and engaged scholarship flourish. As the face of the School, the Dean is champion of curricular initiatives, research, and scholarship, professional training, global outreach, and recruitment of high quality faculty and student talent. The Dean has an interdisciplinary vision for addressing global challenges, and cultivates an environment in which students, faculty and staff thrive.

As Dean, you will have an earned Doctorate or equivalent in a relevant field and qualifications commensurate with an appointment at the rank of Professor. In addition, you are a scholar who has maintained an active program in research and teaching within an academic environment. You will be a dynamic and visionary leader with a demonstrated track record of fostering a culture of collegiality and collaboration within an interdisciplinary university or college environment for faculty, staff, and students. With an authentic and demonstrated commitment to, understanding of, and experience leading equity, diversity, and inclusion practices and Indigenous engagement, the successful candidate will drive change and inspire faculty, students, staff, and community partners.
