

About the Position

Field of Specialization: Research Support Services

Academic Unit: Maxwell MacOdrum Library

Category of Appointment: Preliminary (Confirmation-Track)

Rank/Position Title: Health Sciences and STEM Librarian

Salary Range: Rank and salary will be commensurate with qualifications and experience, with a salary range of \$76,200-\$105,000 at the Librarian II rank, and \$84,400-\$134,000 at the Librarian III rank.

Existing Vacancy: Yes

Start Date: May 1, 2026

Closing Date: March 19, 2026

Reporting to the Head of Research Support Services (RSS) and under the direction of the Science, Engineering and Design Subject Area Coordinator, the Health Sciences and STEM Librarian delivers responsive and innovative services in support of students and faculty at Carleton University, with a primary focus on Nursing and Science, Technology, Engineering and Math (STEM) disciplines

The Health Sciences and STEM Librarian also supports knowledge synthesis activities within a team-based model, contributing to the library's evidence synthesis services through expert guidance and collaboration with researchers.

The Health Sciences and STEM Librarian is a member of the CUASA bargaining unit.

About the Academic Unit

The MacOdrum Library (<https://library.carleton.ca>) promotes excellence at Carleton University by collecting, preserving, and providing access to information resources and services for our teaching, learning, research, and administrative communities, wherever they are located.

The Library consists of a main building at the heart of the campus which holds over 3.7 million items and an on campus storage facility with a capacity of 800,000 volumes. There are 90 FTE positions in the Library including about 31 Librarians, 59 Professional Services Staff, and about 36 casual student positions. The Library participates in cooperative ventures with area libraries and museums as well as libraries in research institutions across Canada. It is also part of the Ontario Council of University Libraries and the Canadian Research Knowledge Network.

Qualifications

Education: Undergraduate degree plus a Master's degree in Library and Information Science from an accredited library school are required. Knowledge of nursing and STEM related disciplines acquired through university studies or professional experience is an asset.

Experience: At least 2 years' experience in an academic or research library, preferably in a Health-related setting. Knowledge of digital information resources and applications and relevant teaching experience related to nursing and STEM related disciplines, with a strong emphasis on client services.

Application Instructions

Review of applications will begin on March 20, 2026, and will continue until the position is filled. Candidates should send an application package to the Office of the University Librarian by email in one single PDF document with "Health and STEM Librarian" in subject line to OUL@cunet.carleton.ca

Candidates must include a cover letter (expression of interest) and current curriculum vitae. In addition, short-listed candidates will be asked to provide letters of support from three references.

Please provide a statement that identifies your strengths and/or experience in advancing equity, diversity and inclusion in your teaching, service, and/or scholarly activities.

Please indicate in your application if you are currently legally eligible to work in Canada.

About Carleton University

Located in Ottawa, Carleton is an innovative teaching and research institution with a tradition of leading change. Internationally recognized academics, staff, and researchers engage more than 31,000 students in over 100 programs of study. Our picturesque campus is fully accessible and, along with award-winning student services, Carleton's Paul Menton Centre for Students with Disabilities has been heralded as the gold standard for disability support services in Canada. Learn more about our university and the city of Ottawa at <https://carleton.ca/deputyprovost/jobs/>.

Carleton University is committed to fostering diversity within its community as a source of excellence, cultural enrichment, and social strength. We welcome those who would contribute to the further diversification of our university including, but not limited to: women and gender equity-seeking groups; racialized individuals; Indigenous Peoples; persons with disabilities; and persons of any sexual orientation and/or gender expression. Furthermore, Carleton understands that career paths vary and interruptions will not prejudice the assessment process. We invite you to review our revitalized Indigenous strategy, Kinàmàgawin at <https://carleton.ca/indigenousinitiatives/cu-files/kinamagawin/> and visit our Department of Equity and Inclusive Communities at <http://carleton.ca/equity> for information about our commitment to leadership in the areas of equity, diversity, and inclusion.

Accessibility is a university strategic priority and applicants selected for an interview who require accommodations are invited to contact the Chair as soon as possible to ensure that appropriate arrangements may be made.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. All positions are subject to budgetary approval.
